

Faithfully Guided
Renew, Reclaim, Restore

Jenny Burzotta, M.A.

Scott Inman, M.A.

Jamie Schofield, M.A., CAMT

The mission of our ministry is to renew minds, reclaim lives and restore relationships through pastoral counseling and education.

Pastoral Counseling & Temperament Therapy

Temperament Therapy is a biblical, evidence-based model proven to be over 90% successful. When temperament is pinpointed and understood, we can use this knowledge to lead our clients in a direction that will promote self-awareness, strengthen identity, cope and counteract stress differently, and increase their potential in relationships with God, family, and community.

Contact our licensed clinical pastoral counselors today for a personal, confidential consultation. We are a 501(c)(3) non-profit organization. Our fees are reduced to ensure everyone has access to our services.
